The Safe, Clean, Fun Place for Lit'l Dogs

Specializing in a home-based daycare & overnight boarding for small dogs weighing less than 30 lbs. Training for all dog breeds & sizes.

I just love lit'l dogs! And I understand that little dogs have BIG personalities and extra special needs. I have been involved with dogs my entire life. I have trained and competed with dogs in a variety of dog sports since my early twenties. I am an AKC Certified CGC Evaluator and a breeder of champion Keeshonden. At AlleyRatz, I strive for an environment that is clean, calm, friendly and little-dog-safe. My facility is not a typical kennel or day care. It is located in my home. As a result, dogs are supervised and overnight guests are not left alone. They reside alongside my own dogs and are treated as though they are my own while in my care. I have a separate fenced in "potty area" and a separate large, fenced yard for the dogs to exercise and play in during good weather. My services include daycare, overnight boarding and go home bathing. I also offer group behavior & socialization classes evenings at the Newry Lions Club Park.

DAYCARE:

I can accommodate up to 4 little dogs in per day. For daycare I have a daily routine which includes a morning playtime both indoors and outdoors when weather permits, naptime on soft cots, low lights and soft music, individual attention with lots of snuggles, and a crunchy biscuit before going home. Of course I provide lots of fresh water and potty breaks throughout the day. Dogs accepted must be non aggressive with other dogs or people. Dogs must be neutered/spayed. Dogs must not be barkers. Dogs (male & female) must be housebroken and males must not "mark". If a dog is found to mark, a belly band will be used while the dog is in the house at the expense of the owner. Dogs must be crate trained.

OVERNIGHT:

I provide overnight lodging services for your dog in either a crate or a small, private, cozy suite. Since I can accept only 4 dogs per night for lodging, it's a good atmosphere for dogs that do not like to be around big crowds. All rules required for daycare dogs apply for overnight guests.

Morning check-in (weekday) is between 7:00AM-9:00AM and pick-up is between 4:00-5:00PM, unless by special arrangement. Weekend drop off and pick up is by appointment. Weekend drop-off and pick-up times are 12:00PM & 5:00PM.

For daycare and overnight care there are no breed restrictions other than size. I can accept little dogs only—weighing less than 30 lbs. Dogs must like being around other dogs and people. Dogs that are fearful around other dogs or people would not be good candidates and they would not be happy in daycare. For the health of all our guests, dogs must also be free of fleas and ticks and internal parasites. I cannot accept unhealthy dogs.

Completed applications along with copies of vaccination records are required. Rabies, Distemper, Parvo, Canine Hepatitis and Bordetella vaccinations are required. Vaccine titer reports from your veterinarian are accepted. Clear fecal report from your vet is also required prior to admission. Dogs must be on a prescribed flea/tick preventative. Males must be neutered and females must be spayed. If your dog requires medication, we can administer oral and topical medications.

AlleyRatz strives to provide safe, top-notch, loving care and gentle grooming services for your beloved pet while you are busy at work or during other times when you are unable to provide the care yourself.

AlleyRatz Rules/Regulations/Safety Protocols

To ensure the safety and health of all dogs I require all clients to comply with the following list of rules, regulations and safety protocols. Please note that you will be asked to sign a copy of these rules as part of the registration process.

1. All dogs must be spayed or neutered unless they are under 10 months of age.
2. Dogs must not be barkers or howlers. If a dog is found to be a habitual barker, he/she will be dismissed at once.
3. Small breed puppies over the age of 4 months (16 weeks) are permitted. Sorry but we do not admit large breed puppies into daycare or for lodging.
4. All dogs must have up-to-date vaccinations. Owners must submit copies of veterinary records which provides proof of vaccination for Rabies, DHPP and Bordetella. Specific vaccinations required include Rabies, Distemper, Hepatitis, Parvovirus, Para influenza and Bordetella. For older dogs a veterinary vaccine titer report showing protection level of above named vaccines is acceptable. Puppies under the age of 4 months are exempt from rabies vaccine record but record of vaccine must be submitted after the age of 4 months.
5. All dogs must be housebroken. Male dogs that "mark" habitually, will be dismissed from the program or owners will provide a bellyband for their dog. I offer bellybands and pads at \$3 per day.
6. All dogs must be healthy. Owners will need to certify that their dog is free from any condition that could potentially jeopardize other guests. Dogs that show signs of vomiting or diarrhea should not be brought into the facility. Dogs that have been ill with a communicable condition in the last two weeks must be vet checked and submit a signed certificate attesting to the good health of the dog before the dog is admitted.
7. Dogs must be on a flea/tick preventative and be free of fleas, ticks and other parasites. If a dog is found to have fleas or ticks, the dog will be dismissed until the owner treats the dog and the pet is free of infestation. If a dog that is being boarded is found to have fleas or ticks, the dog will be secluded and the owner called to pick up.
8. All medications must be in their original container and must include your dog's name, the name and strength of the medication, directions including dosage, number of times a day, method of administration, illness or condition being treated, areas to be treated and name of the veterinarian.
9. All food brought to AlleyRatz must be stored in an airtight container and labeled with the name of the dog and the owner. We are sorry but due to safety concerns, we do not feed or store raw meats.
10. All dogs must be non aggressive toward other dogs and humans. They must not be food or toy protective or show bullying tendencies. Any dog that has previously harmed or shown any aggressive or threatening behavior (including habitual humping) is not permitted for any services at AlleyRatz. Note: During play it is possible for your dog to receive occasional nicks or scratches during regular play.
11. Fees for services are due and payable at the end of each day or when the dog is picked up. Discounted 10 and 20-day daycare packages are payable in advance and must be used twice per week. Prepaid packages are nonrefundable and nontransferable.
12. All dogs must have a complete, up-to-date, signed and approved application/enrollment form on file.
13. For the safety of all dogs, dogs must enter the facility through the side gate of the home on a leash and must be leashed before exiting the building.
14. Dogs will be accepted or released ONLY during pick-up and drop-off hours listed. I will not accept or release dogs at any other times. This is firm.
15. All dogs should be exercised (pottied) before entering the property. Do not exercise your dog on the grounds. We have a designated fenced in potty yard at the rear of the property.

NOTE: I reserve the right to change, update or modify our pricing, rules, regulations and safety protocols. It is the owner's responsibility to check our website to keep up-to-date with any changes. (Updated 04/01/19)
