Li'l Dog Daycare

Specializing in activity-packed daycare & overnight boarding for small dogs weighing less than 35 lbs. Grooming & Training for all dogs

We just love lit'l dogs! And we understand that little dogs have BIG personalities and extra special needs. At AlleyRatz, we strive for an environment that is clean, calm, friendly and little-dog-safe. Our facility is not a typical kennel or day care. It is small and more home-like. All entrance and exit areas are double-door. This prevents accidental getaways, even by the most experienced escape artists.

DAYCARE:

We can accommodate up to 15 little dogs in daycare per day. Our climate controlled 2,200 sq. ft. facility is state-of-the-art and our services include daycare, overnight boarding, grooming, behavior & socialization classes, and a small retail area. For daycare we have a daily routine which includes a morning playtime both indoors and outdoors when weather permits, naptime on soft cots, low lights and soft music, games and activities, individual attention with lots of human snuggles, and a crunchy biscuit before going home. Of course we provide lots of fresh water and potty breaks throughout the day. Our daycare dogs are never crated. Dogs must be housebroken and males must not "mark". If a dog is found to mark, a belly band will be used at the expense of the owner.

OVERNIGHT:

We provide overnight lodging services for your dog in our small, cozy suite. We are able to accept up to 15 dogs per night for lodging, so it's a good atmosphere for dogs that do not like to be around big crowds. We have a large indoor play area and a big, safe fenced in outdoor area. Our clients must be completely housebroken, crate trained and we cannot accept constant barkers.

For daycare and overnight care there are no breed restrictions other than size. We accept little dogs only—weighing less than 35 lbs. Dogs must like being around other dogs and people. Dogs that are fearful around other dogs or people would not be good candidates and they would not be happy in daycare. For the health of all our guests, dogs must also be free of fleas and ticks and internal parasites. We cannot accept unhealthy dogs.

Completed applications along with copies of vaccination records are required. We require Rabies, Distemper, Parvo, Canine Hepatitis and Bordetella. Vaccine titer reports from your veterinarian are accepted. Clear fecal report from your vet is also required prior to admission. Males must be neutered and females must be spayed. If your dog requires medication, we can administer oral and topical medications and our neighboring veterinarian, Dr. Brad Kissell, can provide injections after your consultation with him.

Morning check-in (weekday) is between 6:30-9:00AM and pick-up is between 4:00-5:15PM, unless by special arrangement. Weekend drop off and pick up is by appointment. Our weekend drop-off and p

AlleyRatz strives to provide safe, top-notch, loving care and gentle grooming services for your beloved pet while you are busy at work or during other times when you are unable to provide the care yourself.

FREQUENTLY ASKED QUESTIONS:

PLEASE READ ALL

PAYMENT:

Payment is due at the time of service.

We accept cash or debit or credit card payment. We will accept checks. Note: There will be a \$35.00 charge on returned checks.

HOURS:

- Drop-Offs for Daycare or Boarding are 6:30 AM-9:00AM Monday-Friday. Weekend by appointment.
- Afternoon Boarding Drop-Off is 4:00-5:15 PM
- Pick-Up time for Daycare or Boarding is 6:30AM-9:00 AM and 4:00-5:15 PM Monday-Friday. Weekend by appointment. 6:00 AM, 12:00 & 5:00 PM

LATE PICK-UP CHARGES:

There is a \$5 charge for every 5 minutes a pet is left after 5:30 PM. Call if you anticipate being late.

FOOD:

For daycare dogs, we do not feed during the day, so please feed and potty your dog in the morning before coming to daycare.

For board dogs, bring food only enough for his/her visit in a sealed plastic container with your dog's name and your name clearly marked.

If we provide food the cost is \$5 per dog, per day.

We do have a refrigerator/freezer for wet foods or medications requiring refrigeration.

CRATING:

Dogs that are boarded at AlleyRatz are overnighted in clean, safe crates. You may bring bedding for your dog's crate. Only dogs that are crate-trained will be accepted. Daycare dogs will have a choice of resting areas. We have off-the-floor cots, or open areas in an alcove area.

BEHAVIOR & SOCIALIZATION CLASSES

We offer Puppy Preschool classes throughout the year for puppies 12-weeks of age to 1 year of age and behavior and socialization classes/programs for adult dogs. Please visit our Facebook page or website for current classes and programs offered and to download registration forms.

The Benefits of Doggie Daycare

- Daycare will benefit your dog socially, physically, and emotionally.
- Your dog will learn much needed social skills with a variety of other dogs and people. Since dogs are social by nature animals, daycare gives them the opportunity to interact with others and learn pack skills.
- Your dog will receive a variety of exercise, which aids in weight control, body strength and overall health.
- Daycare decreases boredom that comes from being left alone all day. This then reduces the possibility of destructive behavior such as chewing and barking.
- Your dog's daily special needs will be met—such as medicine administration.
- Your dog's manners, such as “sit, down, come and no bark” will be reinforced.
- You will gain peace of mind in knowing your dog is being taken care of, getting exercise and having fun.
- Daycare will allow you and your dog to relax at the end of the day. A tired dog is a happy dog!

Our Facility

- Our Hollidaysburg facility has been newly renovated specifically as a dog services facility.
- The facility is 2,200 sq. ft. with approximately 1,000 sq. ft. devoted to daycare.
- The climate is controlled year-round.
- We maintain a strict policy of safety, cleanliness and maintenance. We are insured and licensed.
- A secure fenced outdoor area for potty and playtime breaks
- Lodging suite will accommodate up to 15 small dogs.
- Grooming salon is state of the art. We use no-heat dryers. We have a walk-in stainless steel bathing tub and a hydraulic grooming table.
- For customer convenience, we have a small line of essential dog products.
- Dr. Brad Kissell, DVM has his veterinary practice in the building and is able to take care of any pet needing veterinary care upon the owner's approval.
- Convenient parking lot just off Logan Boulevard.

Rules/Regulations/Safety Protocols

To ensure the safety and health of all dogs and staff at AlleyRatz we require all clients to comply with the following list of rules, regulations and safety protocols. Please note that you will be asked to sign a copy of these rules as part of the registration process.

1. All dogs must be spayed or neutered unless they are under 10 months of age.
2. Small breed puppies over the age of 4 months (16 weeks) are permitted, with the exception of Puppy Preschool where puppies may be as young as 12 weeks. Sorry but we do not admit large breed puppies into daycare or for lodging.
3. All dogs must have up-to-date vaccinations. Owners must submit copies of veterinary records which provides proof of vaccination for Rabies, DHPP and Bordetella. Specific vaccinations required include Rabies, Distemper, Hepatitis, Parvovirus, Para influenza and Bordetella. For older dogs a veterinary vaccine titer report showing protection level of above named vaccines is acceptable. Puppies under the age of 6 months are exempt from rabies vaccine record but record of vaccine must be submitted after the age of 6 months.
4. All dogs must be housebroken. Male dogs that “mark” habitually, will be dismissed from the program or owners will provide a bellyband for their dog.
5. All dogs must be healthy. Owners will need to certify that their dog is free from any condition that could potentially jeopardize other guests. Dogs that show signs of vomiting or diarrhea should not be brought into the facility. Dogs that have been ill with a communicable condition in the last two weeks must be vet checked and submit a signed certificate attesting to the good health of the dog before the dog is admitted.
6. Dogs must be on a flea/tick preventative and be free of fleas, ticks and other parasites. If a dog is found to have fleas or ticks, the dog will be dismissed until the owner treats the dog and the pet is free of infestation. If a dog that is being boarded is found to have fleas or ticks, AlleyRatz will administer treatment at the cost of \$25.00
7. All medications must be in their original container and must include your dog’s name, the name and strength of the medication, directions including dosage, number of times a day, method of administration, illness or condition being treated, areas to be treated and name of the veterinarian.
8. All food brought to AlleyRatz must be stored in an airtight container and labeled with the name of the dog and the owner. We are sorry but due to safety concerns, we do not feed or store raw meats.
9. All dogs must be non aggressive toward other dogs and humans. They must not be food or toy protective or show bullying tendencies. Any dog that has previously harmed or shown any aggressive or threatening behavior is not permitted for any services at AlleyRatz. Note: During play it is possible for your dog to receive occasional nicks or scratches during regular play.
10. Fees for services are due and payable at the end of each day or when the dog is picked up. Discounted 10-day daycare packages are payable in advance and must be used within two months of purchase. Prepaid packages are non refundable and non transferable.
11. All dogs must have a complete, up-to-date, signed and approved application/enrollment form on file.
12. For the safety of all dogs, dogs must enter the facility through the main door on a leash and must be leashed before exiting the building. At the entrance an AlleyRatz staff member will greet you and take your dog to the appropriate area. Clients are not permitted access into the “employee only” zones.
13. All dogs should be exercised (pottied) before entering the building. Pick up bags and a waste receptacle are located just outside the entrance door.

NOTE: We reserve the right to change, update or modify our pricing, rules, regulations and safety protocols. It is the owner’s responsibility to check our website to keep up-to-date with any changes. (Updated 01/01/17)
